**4. Preschool and young children's daily music programs and workshops,
17-23 July 2017:**

- **"Together with Balou"**

For children 2-4 years old together with their parents

Balou, the little teddy bear, is exploring together with children, the wonderful world of music, through singing, playing and dancing. A preschool program specially designed for children of this little age.

Duration: 40'

Fee: 40,-€

- **"Create and express yourself" workshop for children 4+**

Sing, dance, make music, disguise and tell story...

Children find the way to express themselves through various musical and creative activities by developing their imagination and working as a team.

At the end of this workshop, we will present everything we succeeded, invented and experienced together and will cooperate with other musicians of the festival for the final performance.

Duration: 90'

Fee: 60,-€

- **Visual workshop - constructions, colors and free sensory play for children 2+**

A visual workshop where all our materials and canvas are... on the floor!

We experiment with clay, various colors, brushes, sponges, wheat, salt, ice, water.. Children come in touch with various materials and experience their limits; they paint, get dirty and have fun! Through this visual workshop children can develop their senses, movements and communication.

Duration: 60'

Fee: 60,-€

Combination choices:

- **"Together with Balou" & Visual Workshop
Fee: 70,-€**
- **«Create and express yourself» & Visual Workshop
